U. S. TROOPS ON WAY TO BORDER

REV. SEASHOLES IS CRUSHED TO DEATH BETWEEN CAR AND POLE

Baptist Church Pastor Run Down by Auto at Street Intersection.

WAS INTERNALLY INJURED

Automobile Was Driven by Mrs. Louis Brereton.

Crushed between an automobile and a concrete telephone pole at the corner of Main and Lundy streets, Salem, shortly after 5 o'clock Wednesday night, Rev. C. L. Seasholes, aged 63, pastor of the First Baptist church of Salem, sustained injuries which resulted in his death at the Salem City hospital an hour later.

Rev. Mr. Seasholes was struck by an automobile driven by Mrs. Louis Brereton of Salem which was rounding the corner intersection and pinned against a pole. The injured man was carried into a confectionery store nearby and later removed to the Salem hospital. He sustained several fractured ribs and was internally injured. He died without recovering consciousness.

Rev. Mr. Seasholes leaves a wife and several children. He had held the Salem charge little more than a year. He was a lecturer of note, having traveled with a chautauqua circuit for several seasons.

APPOINTMENT OF HOGAN CONFIRMED BY SENATE

COLUMBUS, Dec. 4.—The appointment of former Attorney General Timothy S. Hogan as member of the board of trustees of Ohio university has been confirmed by the senate.

Governor Cox has submitted the following appointments for confirmation by the senate:

L. R. Pontius, superintendent of banks; A. R. Taylor, highway commissioner; W. J. Leonard, fire marshal; D. J. Ryan, tax commissioner; J. F. F. McGuire, chief of building and loan inspection department.

As yet the senate has approved no salaried appointment of any kind.

BAN ON GAS FOR POTTERIES

Firing of Kilns Stopped to Conserve Fuel for Domestic Consumers.

As a means of conserving the gas supply for domestic consumers, orders have been issued from the East Liverpool office of the Manufacturers' Light & Heat company stopping the firing of kilns in the East Liverpool district, it was announced Thursday.

No kilns have been fired here since Tuesday, while boilers in several plants are also down. At least one pottery in this district was forced to suspend manufacturing activities as a result of the curtailment of the gas supply.

"There is no danger of a shortage of gas to our domestic consumers," Thomas H. Stephens, manager of the local office of the gas company, stated Thursday. "The order curtailing gas to local potteries will be only temporary."

The Manufacturers' Light & Heat company is now engaged in the construction of pipe lines connecting the recently discovered gas field in McKeesport, Pa. The new field has a daily output of approximately 40,000,000 feet, it is said.

YANK CITIZEN IS TORTURED BY CARRANZA COP

W. K. Milton, 24, Recently Discharged From Army, is Victim of Assault—Jaw Broken, Hand Shattered and Head and Neck Fearfully Cut—Loses His Voice.

BULLETIN

LOS ANGELES, Dec. 4.—A United States army aviation detachment, composed of pilots, riggers, mechanics and radio operators, is enroute for San Antonio, Tex., today for what is believed may result in a quick dash into Mexico in the event the present Mexican crisis leads to intervention. The detachment is said to be from March Field near Riverside. Orders for the hurried concentration of flying experts at the border came from the director of air service at Washington, according to a member of the detachment.

CALEXICO, Cal., Dec. 4.—The state department was informed today by American Consul Boyle of Mexico of the third outrage against an American citizen in that place within the last few weeks in connection with the arrest and fearful beating administered to W. K. Milton, former American soldier, by a Mexican police officer. It was announced today.

Milton, 24, is in a serious condition. His removal to Letterman General hospital at San Francisco, where his injuries can be given closer care, is expected as soon as his condition warrants moving him. His jaw is broken, his hand shattered and his head and neck are fearfully cut and frightfully bruised in a dozen places. As the result of the torture inflicted upon him, his voice is gone and there is small hope today that he will recover it.

Await Report of Atrocity

Milton was seized by a Mexican police officer in Mexicali November 8, according to information here today. He was told he was to be killed for intoxication. Protesting that he had not touched any liquor, Milton sought to break away. Immediately he was set on by the officer and beaten into insensibility with a club. For hours he lay unconscious where he had fallen. Finally he was removed to a crude Mexican hospital, but given no medical attention save a bandage over a cut in his head. American friends, learning of his plight, finally gained his freedom.

Milton is resting today at Camp Beacon hospital.

The Mexican police officer who beat Milton is said to be in jail, while the Mexican authorities are conducting an exhaustive investigation.

WASHINGTON, Dec. 4.—The report of American Consul Boyle of Mexicali on the alleged atrocity to W. K. Milton by a Mexican, had not reached the state department this afternoon.

SENATE COMMITTEE CONSIDERS SEVERANCE OF RELATIONS BILL

By J. BART CAMPBELL

WASHINGTON, Dec. 4.—Immediate action by the senate in the Mexican situation apparently will hinge upon the ability of members of the senate foreign relations committee to discuss the latest developments with President Wilson.

Henry P. Fletcher, American ambassador to Mexico, was closeted with the committee this afternoon when it met behind closed doors to consider the Fall resolution providing for a severance of diplomatic relations between the United States and Mexico.

Senator Fall, Republican, New Mexico, author of the resolution, submitted to the committee an exhaustive report of the result of the two weeks' investigation made by him of Mexican border conditions as chairman of the sub-committee appointed to probe the Mexican situation.

There was an extensive discussion of the evidence presented by Fall to support his charges that the Carranza government and its diplomatic agents in this country were engaged in disseminating Bolshevism and I. W. W. literature in an effort to make trouble for the American government and the American people.

A desire was expressed by members of the committee that Fall and others on it be allowed to take up with the president personally the request for instant and effective action with regard to the situation which several of them declared they regard as imperative.

Senator Hitchcock, the administration leader and ranking Democratic member of the committee, voiced a doubt as to whether the president

would be able to see any members of the committee just now, the continued illness of the president necessitating his being assured perfect repose and quiet.

Secretary of State Lansing was requested to appear before the senate foreign relations committee at 2:30 o'clock this afternoon to discuss the latest developments in the Mexican situation with its members.

Mexico is mum. The state department today is without word from Carranza in response to Secretary Lansing's call for the immediate release of Consul Agent William I. Jenkins, who, according to last reports, was still in jail at Puebla.

In the presence of the Sphinx-like behavior of First Chief Carranza and his government, congress is plainly in an angry mood and nothing short of immediate and drastic measures, it appears, will satisfy either senators or congressmen.

Officials at the department today were silent on the subject of Mexico. Secretary Lansing would make no comment or offer any suggestions as to the probable cause of the delay. Obviously he is waiting as patiently as possible for a reasonable time to elapse since his last note to Mexico before proceeding further.

URGE AMENDMENT TO COVENANT OF LEAGUE

BRUSSELS, Dec. 4.—The league of nations association today adopted a resolution recommending that the covenant of the league of nations be amended so as to totally eliminate from the text the clauses giving nations the right to go to war.

G. O. P. READY FOR OPENING FUSILLADE IN BIG CAMPAIGN

First Shot In Presidential Race Will Be Fired Next Week.

PREPARE FOR CONVENTION

Republican National Committee to Set Date and Place for Meet.

By DAVID M. CHURCH.

WASHINGTON, Dec. 4.—The opening fusillade of the Republican presidential campaign will be fired here one week from today.

The Republican national committee will decide on that date the place of the next convention and the preliminary plans for the campaign will be laid. Chairman Will Hays has received word that practically every member of the committee will be present.

Most important will be reports from the states which will be rendered and politicians here are particularly anxious to learn what the effects have been of the action taken in the senate on the peace treaty.

The women voters will not be slighted in the meeting and place has been made for their representatives and they will be granted a voice in all of the voting. Mrs. John G. South of Frankfort, Ky., chairman of the women's division of the Republican national committee, and Miss Mary Garrett Hay, chairman of the executive committee of the women's division, have promised that there will be a strong delegation of women at the meeting ready to take an active part in the campaign.

The selection of a convenient city will bring a heated contest. Thus far four cities are formally seeking the convention. They are Chicago, St. Louis, San Francisco and Ashbury Park, N. J. Other cities are expected to make a play for the convention when the session opens here next week.

Gov. Sproul of Pennsylvania and Gov. Carey of Wyoming will make the opening addresses.

Many of the prospective candidates are expected to come "out of the woods" next week and there are indications that there will be a general launching of "booms."

The "Sutherland for president" boom is now in full bloom with a committee working diligently for the nomination of Senator Howard Sutherland of West Virginia. The backers of the Sutherland boom declare that they have completed three months' survey and that he is "the logical man."

The case of Senator Newberry of Michigan, indicted for election irregularities, will be taken up at the meeting. The national committee will take steps to protect the interests of the party in the matter.

OHIO'S VOTE WILL NOT DELAY PROHIBITION

WASHINGTON, Dec. 4.—Ohio's vote against ratification of the prohibition amendment will not delay the enforcement of that law, the department of justice announced today.

The fact that the secretary of state included Ohio among the states having ratified the amendment in the proclamation of the law will not make it necessary for a new proclamation to be issued, Assistant Attorney General Frierson said. Sufficient states have ratified the amendment to make the proclamation legal, it was said.

Police Rescue Score in Fire.

CLEVELAND, Dec. 4.—Police and firemen rescued almost a score of women and children when fire shortly before noon swept a ten-family tenement at Central avenue and 59th street today.

WOMEN ENTHUSIASTS TURN OUT IN LARGE NUMBERS TO SEE NATIONAL HORSE SHOW

Miss Eleanora R. Sears, left, and Miss Isabelle Wanmaker in a box.

The quaint and picturesque village of Chilham, England, was transplanted to Madison Square Garden recently to furnish the background for the greatest of horse shows, where equine beauties of the world are showing off their class. The village of Chilham was used as a background for the show in tribute to the Prince of Wales who attended on his last evening in New York. The gilt chairs around the arena were filled with well known society folk. Among the women enthusiasts were Miss Eleanora Sears of Boston, Mass., and Miss Isabelle Wanmaker.

DETECTIVE SHOT BY DICK HOWELL DIES

Alleged Yegg, Wanted In Steubenville On Safe-Cracking Charge, Is Sought On Murder Count.

CANTON, Dec. 4.—Anthony Skotnicky, aged 32, Canton detective shot Saturday night by Dick Howell, died in Mercy hospital at 11:30 today. An operation performed the night of the shooting revealed that Skotnicky's intestines had been perforated in ten places.

Howell, who was wanted in Steubenville on the charge of safe-cracking shot Skotnicky at the latter's home after having been placed under arrest. When the detective was about to enter an automobile to take his prisoner to the city jail, Howell pulled a revolver and fired.

County and city officers have had no trace of Howell since he was frightened away from Beach City Monday night, after being identified by citizens there. The death of Skotnicky places a charge of first degree murder against Howell.

ALEXANDER'S NOMINATION IS SENT TO SENATE

WASHINGTON, Dec. 4.—President Wilson today sent to the senate the nomination of Congressman Joshua W. Alexander, of Missouri, to be secretary of commerce.

MOVE CITING MINE WORKERS FOR CONTEMPT MEANS BATTLE

American Federation of Labor Will Support Coal Miners' Leaders.

PALMER IS READY

Lightless Nights Expected Within Week; May Curtail Coal to Theatres.

BULLETIN

INDIANAPOLIS, Dec. 4.—A special session of the federal grand jury to probe the alleged activities of the coal operators in restricting coal production throughout the United States was called today by Judge A. B. Anderson to meet next Monday.

WASHINGTON, Dec. 4.—Organized labor and the law are today set for a war to the finish.

The government's action in citing leaders of the United Mine Workers for contempt of court in Indiana has crystallized the determination of labor leaders to fight the present coal crisis out to a finish.

Officials of the American Federation of Labor were today preparing to offer every assistance to the Mine Workers' organization.

Just as determined to fight to a final victory is the department of justice and Attorney General Palmer has behind him the backing of the administration. It is understood that action similar to that taken in Indiana may be expected in other places and that the operators will not escape if there is any evidence that they are attempting to interfere with coal production.

The public's sacrifice in the situation was being discussed today. Fuel Administrator Garfield was to return to Washington today to confer with Director General Hines, of the railroad administration, relative to further restrictions upon the use of coal. It is believed here that within a week the fuel administrator will reestablish lightless nights and will curtail the use of coal by theaters and other places of amusements. Dr. Garfield has indicated that he would take such steps before he would curtail the distribution of coal to essential industries.

PERCY TETLOW TO POST BOND

Columbiana County Man Is Among Miners' Officials to Face Charges.

INDIANAPOLIS, Ind., Dec. 4.—Upon the surrender to the United States marshal here shortly before noon today of Acting President John I. Lewis, Secretary William Green and other officials of the United Mine Workers, who face charges of contempt of court for alleged violation of the federal court mandate against the Union heads, the government abandoned its watchful waiting policy in the mine strike and will throw its full weight of its power into the task of enforcing the court's injunction.

Announcement of the government's aggressive policy was made by Daa Simms, special district attorney in charge of the coal cases.

Lewis, Green, Elias Seales, editor of the Mine Workers' Journal; Percy Tetlow, statistician for the union; William Mitchell, secretary, and Ed. Stewart, president of the Indiana Miners organization, were the men who surrendered. They had been instructed.

Why the instrument you buy should be a Victrola

Because it is supreme in beauty and fidelity of tone. Because it is the chosen instrument of the most famous artists. Because it is the instrument of great musical achievements; the instrument which revolutionized talking-machine construction; the instrument which is the one recognized standard in the world today.

Back of the Victrola are the genius and skill which developed the talking-machine from a mere toy into the world's greatest musical instrument; the organization which has the longest experience in producing the modern disc type of instrument; which invented the original cabinet-style talking-machine, the Victrola; which originated all the important talking-machine improvements.

The Victrola is the product of the largest and most complete plant in the entire musical instrument industry; factories which for a quarter-century have been devoted exclusively to the manufacture of talking-machine products; factories whose vast facilities and modern equipment enable us to produce every part of every Victrola right under one roof—the Victrola is the only talking-machine made in its entirety by one concern.

These facts have a direct bearing on the instrument you buy for Christmas. The Victrola is greatest because the company which makes it is greatest. Buy the Victrola for Christmas and you will always have the satisfaction of having the best.

COUNTY AUDITOR GOES TO COLUMBUS FRIDAY

County Auditor C. E. Hamilton will go to Columbus Friday to confer with the state tax commission relative to the appraisal of property in Ohio next year and possibly to consider proposed legislation at the recent session of the legislature. Mahoning county officials have been consulting auditor Hamilton as to the valuation of potteries and some other property. The potteries in this county are valued upon a kiln basis and have been higher than in other counties, it is claimed. Mr. Hamilton will go to Columbus with facts and figures relative to pottery valuations here and in other counties, as well as in adjoining states.

SUSPEND JURY TRIALS IN CASES OF VIOLENCE

LONDON, Dec. 4.—The cabinet has suspended jury trials in all cases of violence in Ireland, substituting three judges to hear all such charges, said a Dublin dispatch to the Daily Express today.
The cabinet is now more concerned in ending the wave of violence which followed the proclamation suppressing the Sinn-Fein than in finishing the home rule bill, according to the Daily Express.

60,000 SEALS SOLD IN CITY

Booths Will Be Open Next Week from 10 A. M. to 5 P. M. Daily.

Beginning next Monday morning, booths in the downtown district will be open from 10 a. m. until 5 p. m. for the sale of Red Cross Christmas Seals instead of from 2 to 5 p. m., the present hours. Mrs. Louis Steinfeld, city chairman of the drive organization announced Thursday.
Sales of the anti-tuberculosis seals reached the 60,000 mark Thursday, representing but three half-days work on the part of the 100 or more women workers engaged in the drive. Booths in the downtown business houses' postoffices and traction and railway stations are open only in the afternoons this week.
A more intensive solicitation will mark the efforts of the workers starting next Monday when the canvass enters its final stage. A whirlwind seal-selling campaign will be staged Wednesday the final day of the canvass.

Mrs. Louis Steinfeld will attend a conference of public school principals in Supt. of Schools F. P. Geiger's office at 4:10 p. m. Thursday when plans will be perfected for the introduction of the seals in the schools.
Seal-selling records were shattered at the downtown postoffice Wednesday when the committee in charge of the booth disposed of 7450 seals. The committee is composed of Mrs. Chris Metch, Misses Mabel and Sara Smith and Edith Watson. The visiting Santa Claus is at the Moyer Brothers' store Thursday having been won by the committee in charge of the Star Bargain booth Wednesday. The committee at the Star Bargain is Mrs. Willard Morris and Mrs. T. V. Milligan.

ed late yesterday following the filing of information for contempt with Judge A. B. Anderson to appear today. They went to the Federal building in a group to be served with capias and to present bonds of \$10,000 each for their appearance in court next Tuesday to answer the government's charge.
Proceedings to remove 78 other defendants to the jurisdiction of the court here will be begun immediately, it was announced. Capiases will be served and it is expected that little difficulty will be encountered, but the government, it was said today, is prepared to bring action in other district courts should any of the union leaders object to coming to Indianapolis.
Thirteen union officials of a Clinton, Ind., local, face contempt charges for alleged distribution of strike benefits and others will be brought into court soon, it was indicated by Mr. Simms.

DEATH ROLL

Mrs. Mary Koenig.
Mrs. Mary Theresa Koenig, aged 44, wife of Henry Koenig, 1249 Erie street, East End, died at the East Liverpool City hospital at 3 o'clock Thursday morning following a few days' illness of a complication of diseases.
The deceased is survived by her husband and nine children as follows: Ellen, Henry, Theodore, Cenia, Alvin, Marie, William, Evelyn and Arthur. Two brothers and one sister, Ed Ragasse of this city and Albert Ragasse and Mrs. George Garrison, both of Wheeling, also survive.
Mrs. Koenig was a member of the Second Presbyterian church and also of the P. H. C.
The funeral will be held at the late home on Erie street at 2 o'clock Saturday afternoon, Rev. John Diehl, pastor of the Second Presbyterian church, officiating. Interment will be made in Riverview cemetery.

CONNEAUT HIT BY BIG FIRE

Flames Sweep Business District, Causing Loss of \$200,000.

CONNEAUT, Dec. 4.—Fire in the heart of the business section here early today caused damage estimated at \$200,000.
The flames, which started in a jewelry store, swept through the Stanley block and damaged surrounding buildings.
Ashtabula was called upon for assistance in fighting the flames. One fire company from that city responded and through their aid the fire was gotten under control.
Fire Chief Gough and Engineer Stevens were overcome by smoke while fighting the flames, but were not seriously affected.
Loss to the Stanley block alone was estimated today at \$100,000. The Leader store suffered loss estimated at \$60,000. It is believed that the entire loss will be covered by insurance.

ASKS \$400,000 IN SUIT FILED

Columbiana Tire and Rubber Co. Defendant In Damage Case.

Alleging breach of a business agreement, G. W. Stephens of Youngstown has filed suit for \$400,000 damages in the Mahoning county court against the Columbiana Tire and Rubber company of Columbiana, Ohio county.
The suit, one of the largest contract actions filed in Mahoning county, is an outgrowth of the abrupt severing of business relations between Stephens and the Columbiana county concern. He claims that he entered into a contract with the company on a percentage basis and that the company failed to fulfill its part of the compact. He also charges that the company attempted to disrupt his sales force.

FIFTY ARE JAILED IN TOLEDO RAIDS

TOLEDO, Dec. 4.—More than fifty men and women were still in jail today as a result of the dragnet thrown out late yesterday by federal officials in which more than 200 arrests were made.
The raid was under the direction of Federal Judge Killits, 100 operatives of the department of justice, postoffice inspectors and United States marshals participating.
Nearly 500 places were visited and the prisoners as fast as taken were sent before Judge Killits who fixed bail at once.
Narcotics valued at several thousands and dollars and property believed to have been stolen mounting in the thousands was seized.

PUSH SALE OF MERCY SEALS

The sale of Christmas seals to be used in the campaign against tuberculosis is progressing rapidly here, according to reports Thursday by Mrs. V. F. Lones, chairman of the workers here.

Clerks in the local stores have been applied with the seals. It is the intention of the local workers to continue the sale until Christmas.

The Cleveland and Pittsburgh Railroad shops here purchased \$10 worth of the seals, according to Mrs. Lones' report, representing the sale of 10,000 of the 70,000 seals, the quota here. Practically all the industrial plants here are taking substantial blocks of the adhesives.

Although no arrangements have been completed it was announced Thursday that it is probable that local high school girls would carry the seal to all portions of the city during the week-ends up until Christmas.

"GUEST DAY" WILL BE OBSERVED BY CLUB

"Guest Day" will be observed at a meeting of the members of the Twentieth Century club to be held Friday afternoon in the Sunday school rooms at the First Presbyterian church.

An interesting program has been arranged for the occasion, it is announced by members of the committee in charge of the arrangements.

Attorney W. F. Lones will deliver an address on "Development of Laws Relating to Women." This subject will be discussed in connection with the course of study now before the members of the organization in regard to the women of Ohio.

Mrs. F. S. Wade will conduct current events. The program will be varied by the attention of several musical selections. Mrs. A. G. Ellis will render a vocal solo, accompanied by Mrs. J. E. Norton. Miss Minerva Ingram and Mrs. Leonard Aughinbaugh will give a duet selection while Mrs. Calhoun will render a selection on the piano.

Each member of the organization will invite ten friends.

SHIELDS AND CHAMP PLEAD NOT GUILTY

Edward Shields, charged with the shooting of Joseph Borowski, Slav, at Irontide Thursday night, Nov. 27, and William Champ, both colored, the latter charged with being an accomplice to the act, were arraigned in common pleas court at Steubenville Wednesday and entered pleas of not guilty.

George Green, indicted for second degree murder, and Bert Labus, East Springfield farmer charged with criminal assault on his two daughters, also pleaded not guilty. Green is charged with having fired into a group of young boys in his orchard near Brilliant several months ago, killing one of the lads.

The trial of Bert Labus has been set for Thursday, Dec. 11, while Green will face the court Friday, Dec. 12.

ANTLERS AND VETERANS MAY CLASH DEC. 13

It is probable that the football game between the East Liverpool Veterans of Foreign Wars and the Wellsville Antlers, scheduled for last Saturday, but which was prevented by bad weather, will be played on Saturday afternoon, Dec. 13, providing both teams agree on the date.

Since the postponement of the game last Saturday no effort has been made to arrange another date. The managements of both clubs are waiting to see what weather conditions will be like next week. Since fans in both cities are clamoring for the engagement, it is likely that efforts will be made to book the game. The Antlers will hold a meeting some time the latter part of this week for the purpose of determining whether or not the team will remain organized for the final struggle.

The East Liverpool gridgers are playing a Pittsburgh team Sunday afternoon and consequently the game could not be played this week.

Marriage Announced.
Announcement has been made here of the marriage of Miss Elsie Duty, daughter of Mr. and Mrs. Dan Duty, of Main street, and Dan Loudon of Pittsburgh. The marriage occurred in Pittsburgh Tuesday afternoon.

FIRELESS YULETIDE.

Urging co-operation on the part of every merchant, manufacturer and householder in order to keep Ohio in the front ranks of fire prevention, State Fire Marshal William J. Leonard, in a bulletin just issued, appeals for a fireless holiday season.

Pointing out that carelessness, America's curse, is responsible for an annual fire waste of \$450,000,000, he calls attention to fire hazards which in past years have marred the beauty and significance of the yuletide season. Co-operation on the part of the householder and the housewife in heeding the suggestions on the side of safety will prevent fires, while more care in the unpacking of Christmas goods, most of which are inflammable, will go a long way toward making a "no fire week" possible.

Most fires during the holidays are due to decorations and the location of the Christmas tree. In this connection, the fire marshal makes the following important recommendations:

"There will be Christmas trees of course; no 25th of December is complete without one to amuse the kiddies; but in the evergreen branches of the lighted tree, DEATH lurks, and the FIRE DEMON has his habitat.

"This year, above all others, see to it that no cotton batting, crepe or tissue paper decorations are used. There are plenty of fire-proof substitutes that are cheap and efficient. BUY THEM and PLAY SAFE!

"Put MATCHES away so that the children will not be tempted to light the tree."

"Let the tree be lighted always by, or in the presence of A RESPONSIBLE OLDER PERSON.

"Do not leave the LIGHTED tree a moment: The modern cheap candle burns rapidly, sheds paraffin down the sides, and soon bows over. This exposes more wick and creates a larger flame, and it is but a moment until the pretty, taper-bearing branches are but a pillar of fire.

"Do not have the lights so LOW that the dresses of children and girls can come in contact with them. In the eager search for and unwrapping of toys, little or no attention is paid to the LUMINATING feature. All Christmas tree decorations should be of FIREPROOF MATERIAL.

"If you can afford it, use electric lights, BUT HAVE SOME ONE WHO KNOWS, install them.

"If there is a tree in a public hall, church, lodge room, or school house, HAVE OLDER PEOPLE CONSTANTLY ON GUARD.

"Under no circumstances use COTTON CLOTH or CANTON FLANNEL in Santa Claus costumes.

"Remove AT ONCE ALL TISSUE PAPER wrappings, EXCELSIOR, etc., to a safe place OUTSIDE the house.

"The practice of placing candles in windows should be condemned. There is great danger of drapery and curtains catching fire, since the house is often left ALONE while the inmates attend festivities incident to the Yuletide season, and a fire has a GOOD START before the neighbors notice it."

SAFEGUARDING THE FUTURE.

The international labor conference which has been meeting at Washington has adopted these recommendations, which will be submitted to the governments of the countries represented:

The abolition of private employment agencies, the establishment of government agencies, the maintenance of an effective system of unemployment insurance and requirement that only by mutual agreement shall laborers be recruited in one country for work in another.

The abolition of private employment agencies, the establishment of government agencies, the maintenance of an effective system of unemployment insurance and requirement that only by mutual agreement shall laborers be recruited in one country for work in another.

The abolition of night work for women in any public or private industrial undertaking other than one in which only the members of the family are employed.

An eight-hour day and a forty-eight hour week.

Abolition of labor by any child under 14 years of age in any industrial work except in Japan, where the age was reduced to 12 years, and in certain of the countries less developed industrially, where the subject was made one of special consideration.

No night work for young persons, male or female, in any industrial concern.

There is also a recommendation for maternity vacations for women—six weeks before and six weeks after childbirth, with indemnities to be paid by the state.

Some of these recommendations seem ordinary, some seem radical. But there can be no question that all of them look not only to the present but to the future, and that if the battle against crime, poverty and disease is to be waged with any chances of success in the world at large, these recommendations represent minimum requirements.

Ohio Wesleyan University has abolished titles. Good for Delaware. Now if congress will only pass an act making it unlawful for roll-top desk officials during the war to use military titles another step will have been taken toward making the United States serviceable for democracy.

Governor Cox has been in office the last time two years and eleven months. What has he done to reduce the high cost of living?

Party mottoes next year, irrespective of parties, should all read: "Enemies to the rear. Only red-blooded Americans for public service."

NEW YORK LETTER

By O. O. McINTYRE.

NEW YORK, Dec. 14.—A page from the diary of a modern Samuel Pepys: Early up and to see Mistress Janet with my wife, poor wretch, and she with me a mighty moan of the times and tells us of paying six pounds for boots. But a lovely lady withal and gave us some noble cake. In the park I met an old work fellow and he is grown a drunken sot, poppy eyed and flabby, which grieved me all the day.

In a petrol wagon I caught a glimpse of Mistress Barrymore in a brave big purple hat and a jet black dress of velvet looking the finest ever I saw. My wife stopped at an art gallery and I went to Fourteenth street to play at pool and R. Dirks, the lunner, sang the quaintest song ever I heard about a white pure cat that wandered to Pittsburgh.

To lunch on some venison, newly come from Maine, and H. A. over, the food lord, and some of his fellows of Stanford University were there and a right merry time they had quipping and quinking over this, that and the other.

People do affright me with their gloomy talks of the world askew and I am resolved to believe none of it. It is hard to doubt it all. The talk is of the people in high places taking in the Bolshevistic tommyrot. Yet I believe a few months will see the whole red terror fade.

In the evening to the benefit for Bert Leslie, a great play actor, who has fallen on evil days and I recalled how he used to make me burst with laughter when he played a piano mover. Sid Mercer was there and also Bugs Baer, Damon Runyon, Tom McNamara and Tommy Gray and so home and to bed.

This is a true story of a happening in an eastern city whose name I will not mention for obvious reasons. It was during the visit of the Queen of Belgium recently. The mayor's wife was among those to receive the queen. After being presented the queen remarked: "You must be proud, madam, of your distinguished husband who has the honor to be at the head of such a wonderful municipality."

"Queen," said the mayor's wife stepping her lightly on the shoulder, "you said a truthful."

There is an artist who draws Sunday colored supplement pictures who has a wonderful bull dog. The artist kept her on a pleasure boat anchored off 57th street Sunday he went up to see her and her litter of six fine puppies recently whelped. Arriving at the Hudson bank he saw the boat had sunk. But nearby was the mother dog swimming around helplessly with one puppy in her mouth, looking vainly for the others. She was brought in with the one puppy and fell exhausted. The artist works for an editor who promulgates a theory that all dogs should be poisoned—a super efficiency idea. The artist went straight home and wrote a letter to the editor handing in his resignation, declaring he could not be even remotely associated with a man of such heartlessness.

The bartenders on the trans-Atlantic liners make \$6,000 a year in salary and tips aside from their living. They are retired at 55 on half pay. Many of New York's best bartenders are now using all their energies to get these berths. Passenger business is picking up since the war and prohibition in the United States. Outside the well known three male limit the liner bartenders may begin shaking cocktails and fixing high-balls for thirsty Americans. Since July 1 many American business men suddenly find that they must make a trip to France to look over the commercial field abroad.

Delicate Mothers

Vinol, our Cod Liver and Iron Tonic, is the best remedy for Nervous, Run-Down, Anaemic Conditions.

This Letter Proves It.

Kenton, Del.—"I suffered from a nervous, run-down condition and no appetite. I keep house and live on a farm so had to keep about my work as I have five in the family. My druggist recommended Vinol as the best medicine for my condition. I felt better after taking the first bottle. It has given me a good appetite, I sleep better and feel stronger in every way."—Mrs. J. HERMAN WILDS.

It is the Beef and Cod Liver Peptones contained in Vinol aided by Iron and Hypophosphites which makes it such a famous blood-maker, nerve builder and strength creator. Besides Vinol is not a secret medicine. Its full formula is printed on each package.

MISS F. K. L.—Making the pores smaller has a direct and tremendous result in the elimination of wrinkles. The reason for this is that when the pores become smaller the texture of the skin becomes finer. Coarse skins are usually full of wrinkles. Just try this method once and you will realize that you have found a powerful wrinkle secret. Get a two-ounce package (50 cents worth) of epitel from your druggist, and mix this powder with one tablespoonful of glycerine in a half pint of water. Apply this cream very freely on the face every day, and you will be astonished to find the difference it will make in your appearance of age. It removes the thousands of small wrinkles, crow's feet and even the deep wrinkles. Try it.

"EFFY"—A glorious head-wash. Yes, here it is, and a wonder, too! Just dissolve a teaspoonful of eggol in a cup of water, and use as a head-wash. You will be surprised at the remarkable cleanliness of your scalp and the glossiness of your hair, as a result. For twenty-five cents you can get at the drug store enough eggol to last for many weeks.

MISS M. O. N.—A really wonderful way, and the easiest and quickest way to remove superfluous hairs is to dissolve them. This is done by moistening the hairs with a solution which you can get at any drug store for one dollar. This never leaves a scar or red spot, always works, whether the hair is very thick, or downy, and on the most delicate skin. It is the only safe way, and is exceedingly simple and quick.

KEMP'S BALSAM

WILL STOP THAT COUGH! GUARANTEED

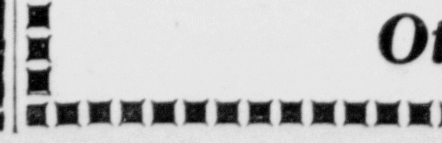

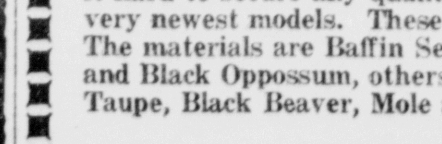

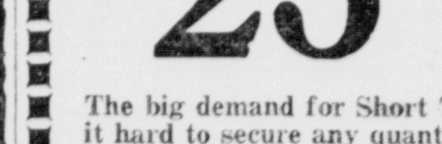

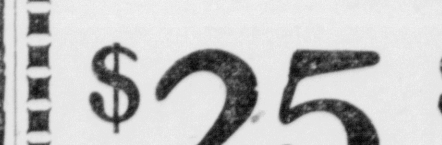

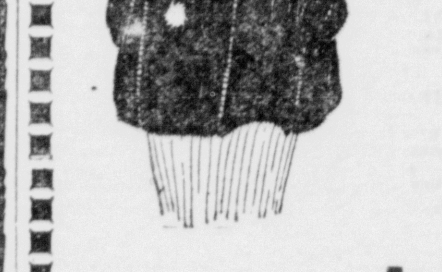

SUFFERED TEN YEARS FROM INDIGESTION

Trouble Gone, Appetite Strong, and Eats Anything Without Distress.

"I had a case of catarrh and indigestion, of ten years standing. I had been treated by the best medical men in Michigan. When I commenced taking Milks Emulsion, I was in bed. I improved so fast that I kept the neighbors wondering. I am now up and working every day. My cough is gone. My appetite is great, and I can eat anything without hurting me."—H. D. Lovelee, Rockford, Mich.
Indigestion is seldom cured by "helping" the stomach digest food. Digestives, like physic pills, usually make slaves of the stomach and bowels.
Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. It produces remarkable results in colds, coughs and bronchial asthma.
This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.
No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.
Guaranteed by Herche's Drug Store.

Dandruff Surely
Destroys The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

352 PUPILS IN NEWELL SCHOOL

Three hundred and fifty-two children were enrolled in the Newell school during the month of November, according to the report of Superintendent of Schools A. D. Osborne. Of this number 179 were boys and 173 girls.

The average daily attendance of the boys was 160, while that of the girls was 147. The percentage of attendance for the boys was 96 and of the girls 95, or an average of 95.

The largest enrollment—45—was noted in the first grade at the central building. Of this number 23 were boys and 22 girls. The percentage of attendance for the boys was 98 and for the girls 93, making an average of 95 for both sexes.

The first grade enrollment at the Aaron building was 34—20 boys and 14 girls. Here the average attendance was 27, the percentage of attendance being 95.

The report by rooms follows: Second grade, 47; third, 42; fourth, 38; fifth, 40; sixth, 26; seventh and eighth, 21; high school, 45. The enrollment in the high school consists of 24 boys and 21 girls; the percentage of attendance was 97. Seventeen tardy marks were recorded in the various rooms, the largest of which was in the first grade at the central building, six cases of tardiness occurring during the month.

COAL STRIKE CRIPPLES KENILWORTH BRICK PLANT

The coal strike has caused a complete suspension of the manufacture of brick at the plant of the Kenilworth Brick company, just below Newell. This was the announcement made Wednesday afternoon by Fred H. Porter, superintendent of the plant.

The last kiln at the brick works is being fired, Mr. Porter said. The company has but a meager supply of fuel on hand and this will be used in firing the boilers at the plant.

The suspension of brickmaking occurred on Dec. 1, following the government's ruling that coal would be furnished to only such industries which were essential. Since then not a pound of coal has been received at the Kenilworth plant.

Mr. Porter stated Wednesday that the Kenilworth plant employs 75 men, but these men will be put to work at some other employment until the coal strike is settled.

The company manufactures paving block and building block and its output is used largely in construction work in the East Liverpool district, being easily accessible to automobile trucks.

A small deposit will hold any article until Christmas. Shop early. Stewart the Jeweler, 118 West Sixth Street.

MAN AND WIFE BOTH BENEFITED BY NERV-WORTH

Mr. and Mrs. Fannin Had Happy Experiences With This Famous Family Tonic and Are Thankful.

The best evidence of this is found in the fact that Mrs. Fannin endorses Nerv-Worth and consented to publication so that friends and neighbors could profit also.

"I saw Nerv-Worth advertised in the Portsmouth Times and decided to try it. Three years ago I had an operation that left me in a very nervous condition. I have been taking Nerv-Worth for about two years and have found it to be one of the best tonics I have ever used for the nerves and stomach. My husband also used Nerv-Worth and found great relief. We both can truly recommend Nerv-Worth."

"MRS. ETHEL FANNIN, 2117 Gallia St., Portsmouth, O."

Nerv-Worth steadies and strengthens the nerves, whets the appetite, adds flesh, aids digestion, rouses the liver, regulates the bowels, restores restful sleep, banishes sick and nervous headaches and other aches and pains, builds up run-down systems.

C. T. Larkins' drug store, sells Nerv-Worth in East Liverpool.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

COMMITTEE TO DETERMINE NEEDS OF FIREMEN

An investigation of the present fire fighting equipment, owned by the town of Newell, is to be made by a committee of five, according to an agreement reached at a mass meeting of Newell people, it was announced Thursday. This committee will make a recommendation for change, when it submits its report which will be received at another meeting to be held at the school building next Tuesday evening.

F. D. Lawrence acted as chairman of the meeting. The present condition of the Newell volunteer fire department was discussed to some length, various suggestions being offered as to the ways of improving the existing situation. In order to determine first what amount will be required to put the local volunteer fire organization in good shape, it was decided to make an investigation. W. H. Wilhelm was appointed chairman of this investigation committee.

Pending the re-organization of the department it was decided to do away with the present motor truck and put the hose cart in readiness. The truck is badly in need of repairs and cannot be repaired or a new vehicle purchased until funds are available.

A. M. Fisher, fire chief, was instructed to issue a call for volunteers and reorganize another volunteer fire organization, its size being left entirely with the fire chief. As soon as the department is reorganized, drills and practice runs will be held.

A committee composed of Chalmers Smith, John Graham, S. B. Carson, Frank Pittenger and F. G. Porter was named to represent the town of Newell in the proposed reception to returned service men to be held shortly.

RECEPTION FOR SERVICE MEN

Newell citizens will tender a reception to their returned service men, within the near future, if a movement which has been started works out according to plans. The reception will likely be in the form of a banquet to the ex-soldiers, followed by a program of speech making and other entertainment.

Committees have been appointed by the Newell lodges of the Odd Fellows and the Protected Home Circle and from the First Presbyterian and First Methodist Episcopal churches to make plans for a reception. The Newell citizens will tender a reception to their returned service men, within the near future, if a movement which has been started works out according to plans.

Clean Up Poison Soaked Kidneys Advises Dr. Carey

Thousands Die Every Year Because They Allow Poisonous Deposits to Accumulate in Kidneys.

Don't flush your kidneys with harsh makeshifts says Dr. Carey, who has too frail and delicately constructed to treat them rough.

For 40 years I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price.

Beware of kidney disease, thousands die of it every year who ought to be enjoying the blessings of life and health.

If you have specks floating before the eyes, puffs under eyes, clammy feet or moist palms, backache or sideache you ought to get a bottle of Dr. Carey's Marshroot right away.

It has conquered thousands of cases of kidney and bladder diseases and is the medicine you can always depend upon.

IMPORTANT—Dr. Daniel G. Carey has been a practicing physician for many years and his great prescription, "Marshroot," has cured thousands of sufferers from kidney and bladder troubles. It is not a patent medicine and is only sold through drug stores in order to accommodate his patients. T. Reed Ashbaugh can supply you.

all public schools will also probably be represented on the committee.

The first meeting of the committee will be held in the I. O. O. F. rooms in the Aaron building Thursday evening when a date and place for the reception will be decided upon. It is also likely that the committee will tentatively arrange a program for the affair. It is probable that the reception will be held around the holidays or early in the new year. One of the local churches has been suggested as the best place for the holding of the celebration.

Newell has many boys who answered to the call of the colors during the world war. Two of her sons died while in the uniform of Uncle Sam and a memorial for these boys will probably be held. With but one or two exceptions all the Newell boys who served during the war have returned to their homes.

The two lodges have named the following representatives on the committee.

Odd Fellows—Cecil Larimer, Grant Alvis, James Logston and R. A. Caruthers.

P. H. C.—W. C. Miller, David Cline, Harley Ferguson and Jerry Saltzer.

BEGIN SALE OF RED CROSS XMAS SEALS

Red Cross Christmas seals, the proceeds from the sale of which will be used to wage the war against the further spread of tuberculosis, have been received here and now can be purchased by Newell residents.

Miss Florence Moss, secretary of the Hancock county chapter of the American Red Cross, will supervise the sales in Newell. The adhesives can be purchased from Miss Moss at the headquarters of the county Red Cross organization in the North American Manufacturing company's office.

While no steps have been taken to place the stamps on sale at any of the business houses here, it is probable that some of the merchants will be asked to aid in the campaign.

Accept Positions Here. The Misses Darletta and Hazel Albright of Carrollton, O., have accepted positions in the warehouse at the No. 5 plant of the Homer Laughlin China company.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

To see the healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside bathing every morning for a week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It clears out all the sour fermentations, gases and acidity and gives one a fine appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to demonstrate that those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges or whose skin is sallow or pallid, that one week of inside bathing will have them looking and feeling better every way.

When Shopping is Dangerous

The lure of low prices may lead to dangerous consequences when you buy medicines.

For you must remember that all drugs are not of standard strength and potency. Therefore, the shopping habit is most unwise if applied to your prescriptions.

We use only pure, best quality drugs of known strength. We charge a fair price for our prescription service.

PLAN EXHIBIT AT FARMERS' INSTITUTE

Considerable interest is being shown by the farmers of Hancock county in the exhibit to be held in connection with the Farmers' Institute at Pughtown on Friday, December 19. The exhibit will be conducted in the afternoon, while the speaking program will be carried out in the evening.

The exhibit, open to any farmer of the county, will include corn, wheat, apples and other farm supplies. Two representatives from the agricultural department of the state university at Morgantown, who will make addresses at the evening meeting will act as judges for the exhibit.

County Farm Agent E. G. Hibbs has requested that farmers wishing to make entries should send their exhibits to the office of the county farm agent at New Cumberland or bring them to Pughtown on the morning of the Pughtown affair.

The entries, in which cash prizes will be given the winners are as follows:

1. Best 10 ears of yellow dent corn.
2. Best 10 ears of white corn.
3. Best 10 ears of white corn.
4. Best 10 ears of white corn.
5. Best 10 ears of white corn.

Teachers Meet

Many matters of importance were discussed at a meeting of the teachers at the Central school building, Wednesday evening. The teachers of the Washington school convened Tuesday evening.

Councilmanic Session

The regular semi-monthly meeting of the city solons will be held at the city building at 7:30 o'clock Thursday evening. Aside from the franchise ordinance for street lighting, only routine business will be considered.

TEACHERS' EXECUTIVE COMMITTEE MEETING

The executive committee of the Hancock County Teachers' association will meet in the office of County Superintendent of Schools H. O. Miller, in the court house at New Cumberland, Saturday morning for the purpose of completing plans for the winter meeting of the association which will probably be held during the latter part of January or early in February. A place and date for the next meeting will be selected.

The committee is made up of Superintendent A. D. Osborn, Newell, president of the association; Superintendent E. E. Oldaker, Chester; Superintendent A. T. Stanforth, New Cumberland; Superintendent W. T. Johnson, Weirton; and County Superintendent of Schools H. O. Miller, of Pughtown.

CARS IN COLLISION; NONE IS INJURED

Several passengers aboard a Chester car, enroute to East Liverpool, narrowly escaped injury about 5 o'clock Wednesday evening, when a west-bound passenger car side-swiped a work car of the Steubenville, East Liverpool & Beaver Valley Traction Company. The car was packed with passengers, most of whom were enroute to their homes in East Liverpool.

The accident is believed to have been caused by several large potholes which were allowed to extend over the side of the work car. One of them in the passenger car was splintered.

JUDGE HENRY BORST TO SPEAK AT FAIRMONT

The Chester lodge of Odd Fellows will probably be represented at a big meeting of the lodge to be held at Fairmont on December 15 when Judge Henry Borst of the New York state supreme court will be a guest of the grand lodge. Between 3,000 and 5,000 lodgemen from all parts of the state will be on hand to greet Judge Borst, according to arrangements. The judge is grand sire of the organization.

The big gathering will be held under the auspices of the Marion county lodge, which is arranging elaborate plans for the big celebration. Grand State Secretary A. J. Wilkinson of Huntington will be in charge of the affair.

Pay Day at Tire Plant. Wednesday was pay day at the Chester Cord Tire Corporation. In spite of the coal strike the plant has been operating and several thousand dollars were distributed to employees.

WEIRTON HIGH SCHOOL SCHEDULE COMPLETED

The 1919-20 basketball schedule of the Weirton high school has just been completed and many fast teams will face the steel town lads during the next couple of months.

The season will open on Dec. 12 with Follansbee high school on the Weirton floor. The last game will be played at Wellsburg on Friday, March 19.

The schedule includes games with the high school fives of Follansbee, Burgettstown, Mingo Junction, Wellsburg, Hickory, Warwood, Wellsburg and Benwood.

In many of the contests, the girls' basketball team will play a preliminary game with the girls' aggregation of the same school with which the boys' team is playing. Charles Robertson is manager of the boys' club, while Miss Bernice Ferguson is manager of the girls' team.

Weiner Sizzle Thursday.

Many young people of Chester have announced their intentions of attending the weiner sizzle to be given at the Grandview school house Thursday evening under the auspices of the Christian Endeavor society of the First Christian church.

OHIO WOULD NOT BE HIT BY GAS ORDER

The diversion of gas ordered by the West Virginia public service commission recently from the Hope Natural Gas company to the West Virginia Traction & Electric company to supply consumers in Morgantown, this state, if supplied, would be taken from the Hope company's main supplying Pennsylvania and not Ohio towns.

This statement has just been made by Chairman G. R. C. Wiles of the West Virginia commission.

"But in any event," Chairman Wiles explained, "the amount to be diverted from the Hope companies is less than one-third of one per cent of the company's annual output and would be an infinitesimal loss to any Ohio or Pennsylvania town."

"Furthermore, West Virginia consumers could hardly be forced to freeze in order to permit the transportation of gas produced in this state to consumers outside the state."

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.

ASPIRIN FOR COLDS

Name "Bayer" is on Genuine Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in the "Bayer package," containing proper directions for Headache, Colds, Pain, Neuralgia, Lumbago, and Rheumatism. Name "Bayer" means genuine Aspirin prescribed by physicians for 19 years. Handy tin boxes of 12 tablets cost few cents. Aspirin is trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

Why Druggists Recommend Swamp-Root

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription.

Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder do the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once. However, if you wish first to test its great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the East Liverpool Review.

SEEK CASH FOR UPPER RIVER

Appropriation of \$3,000,000 Is Asked for Ohio River Improvement.

Appropriation of \$3,000,000 for the improvement of the upper Ohio river provided in the estimates just submitted to congress by Secretary of the Treasury Glass would mean the opening of a new era in the development of the Ohio.

If this sum is approved by congress U. S. army engineers in charge of the upper Ohio river will award contracts at once for the construction of locks, terminals and other projects necessary before the river can take its place alongside the railroad as a transportation medium.

Passage of legislation insuring the permanent improvement of internal waterways will be sought at the 15th convention of the National Rivers and Harbors Congress December 9-11 in Washington. Delegates from cities along the upper Ohio will boost for the selection of the Beaver river route for the proposed Lake Erie and Ohio river canal.

A second cut at the beartaps at government lock No 10 at Steubenville is being made near the West Virginia shore. The U. S. steamer T. P. Roberts is enroute down the river from Pittsburgh with government dredge No. 1 in tow to be used in the work.

REDS ACCUSED OF MURDER OF SERVICE MEN IN PARADE

Left to right, upper row: John H. Lamb, J. H. McInerney, O. C. (Commodore) Bland and Eugene Barnett. Below, Roy Becker, Britt Smith, T. C. Morgan and Bert Faulkner

These eight men, held in jail by Lewis county, Wash. officials, are alleged to have been members of the I. W. O. organization which plotted and carried out the murder of four ex-service men during the

armistice day parade in Centralia, Wash. The marching soldiers were fired upon from the roof of buildings near the I. W. O. headquarters. Some of the men are named as the assassins in confessions ob-

tained by officials. Britt Smith is the acknowledged secretary of the Centralia local of the I. W. O. He has told police he was in the jail when the plot was laid but that he took part in the affair.

Today his voice is known wherever English is spoken and his records are in millions of homes throughout the world.

St. Clairsville—A reduction in farm crops is predicted for Belmont county in 1929. The prediction is based on the exceptionally large number of sales of farm implements and stock by farmers, who are retiring.

EIGHT CHILDREN HAD CROUP. "I have eight children and give Foley's Kidney and Liver Pills to all of them," writes Mrs. P. Rehmann, 2404 Reeman St., Covington, Ky. "They all were subject to croup." It loosens and clears mucus and phlegm, stops that "crouping" cough, makes easy breathing possible and permits quiet sleep. It contains no opiates, and children like it. Good for colds, bronchial coughs and the coughs that linger on after influenza or grip. Good for grown-ups as for children. For sale at Bulger's Pharmacy and McCutcheon Drug Store.

REVENUE FROM POLICE COURT

With but 44 prisoners confronting him during the month, Mayor J. S. Wilson collected a total of \$128 in fines in November, according to the police court report made public Thursday.

Of this total, \$118 was collected under city ordinances and will revert to the city's treasury while but \$10 was assessed on state charges. One ten dollar license was also collected during the month.

Forty out of the 44 arrests made last month were East Liverpool residents. Arrests were divided as follows:

For shooting crap, 12; drunks, 10; gambling, six; suspicious persons, three; petty larceny, three; violating Section 19 of the traffic ordinance, two; keeping a pool room open after hours, one; delinquency, one; held as a witness, one; grand larceny, one; permitting gambling, one; disorderly conduct, one; operating an auto while intoxicated, one.

Barn Gutted by Fire
A barn owned by Joseph Sulzer in Drury Lane, was badly gutted by fire shortly before 6 o'clock Wednesday night. The Central fire department responded to the alarm but when the apparatus arrived the structure was blazing fiercely. Firemen confined their efforts to saving adjoining buildings. The loss is estimated at less than \$150.

HOW HE ENDED KIDNEY TROUBLE.
"I had a severe attack of kidney trouble and for three weeks could not get out of doors and scarcely out of bed," writes C. E. Brewer, Vinton, S. C. "I could not stand over at all without the most excruciating pains. I purchased a bottle of Foley Kidney Pills, was relieved after first few doses and continued their use until completely cured. I consider Foley Kidney Pills the best kidney remedy in the world. No recurrence of my trouble." For sale at Bulger's Pharmacy and McCutcheon Drug Store.

BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" Instantly Relieves Stiffness and Distress.

Don't stop stuffed up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

The very first dose opens your clogged nostrils and the air passages of the head; stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness. "Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's.

HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled. Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-feren is without doubt the grandest and quickest remedy for nervous, run down, weak, enemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you. Seven a day for seven days—Wonderful results.

Cinema Notes

"The comedy film is coming into its own," says Mack Sennett.

"Movie audiences today want, first, to laugh." But Mr. Sennett, most of the movie tragedies are laughable.

Earle Williams has completed "The Fortune Hunter," from the story by Winchell Smith.

Vivian Rich, formerly well known in the movies, is now the mother of a son. She's been Mrs. Ralph Jenson for the last year.

Cullen Landis, Mabel Normand's leading man, originally aspired to be a baseball pitcher.

Hedda Nova's honest-to-goodness name is Hedwig Peonie Kuczewski. It was discovered last week when she married Paul Hurst in Los Angeles.

Blanche Sweet has completed the picturization of "The Deadlier Sex," a drama of New York life and the Maine woods.

Bethesda—The price of stogies has been advanced by local manufacturers. Smokes that formerly sold at three for ten cents by retail will be five cents each.

A Wide Margin of Safety

A MAN about to hire a chauffeur asked each applicant how near he could drive to the edge of a precipice.

One said a foot, another said six inches, a third said two inches. But the fourth said, "I keep just as far away from a precipice as I can." He was hired.

The wise property owner, like the careful chauffeur, prefers a wide margin of safety. He insures his possessions to the limit and then takes every precaution against fire.

Insurance only reduces your fire loss. That is why the Fire Prevention Service of the Hartford Fire Insurance Company is as necessary as insurance. Let us explain this service. It is free to all Hartford policy holders.

"MAYTIME" SCORES HIT AT CERAMIC THEATRE

"Maytime", the big Shubert musical success, presented at the Ceramic, on Wednesday evening, was unquestionably the hit of the season with East Liverpool.

There was a large-sized audience, which gave ample evidence of its appreciation. The company was composed of singers and actors of real ability.

The play had a beautiful and appealing story, combined with effective music of which "Will You Remember?" was the most popular number. Two carloads of scenery and many unique electrical effects were presented.

A beauty chorus, made up of a score or more of pretty girls, assisted in the musical numbers.

CHILD ACTOR IN "THE MISFIT EARL"

The modern photoplay has proved to be a splendid training school for young actors. In the days before the discovery of the cinema, only a very few of the many talented children who applied for theatrical work could be used. Now, however, the motion picture has developed many children whose ability will make them stars just as soon as they begin to take on the appearance of maturity. Among

the more recent "finds" in child actors is little Samuel Ross, who appears with Louis Benetton in "A Misfit Earl," the new Betwood picture, which Goldwyn will distribute and which is scheduled for presentation at the American theatre, Thursday and Friday.

Little Samuel Ross shows an intelligent appreciation of every comic or dramatic situation in which he is placed, and what is more, possesses the histrionic ability to convey his understanding to those on the other side of the silver sheet. He is neither self-conscious nor bold, and plays with just the right boyish wistfulness which the part demands.

Louis Benetton congratulated the youngster on his fine work in "A Misfit Earl" and predicted a brilliant future for him.

BLANCHE SWEET IN FILM AT CERAMIC

Blanche Sweet supported by an unusually strong cast, comes to the Ceramic theatre Wednesday, Thursday and Friday, in a special Pathé feature, "A Woman of Pleasure," produced by Jesse D. Hampton and directed by Wallace Worsley. Cast in the difficult role of a poor school teacher who marries to satisfy her desire for pretty school clothes and social position and then repents her bargain when she meets her ideal in an employee of her husband's, Miss Sweet does some of the best acting of her long and splendid career.

Says Pile Remedy Worth \$100.00 a Box

I have had itching piles ever since my earliest recollection. I am 29 years old and have suffered terribly. I have tried many remedies and doctors, but no cure. About 8 weeks ago I saw your ad for Peterson's Ointment. The first application stopped all itching, and in three days all sores. I have only used one 35c box and consider I am cured, not feeling any return of the trouble for 4 weeks. You have my grateful, heartfelt thanks, and may everyone that has this trouble see this and give your ointment, that is worth a hundred dollars or more a box, a trial. Sincerely yours, A. Newth, Columbus, Ohio.

Peterson's Ointment for Piles, Hemoids and old sores is only 35 cents a box at all druggists. Peterson Ointment Co., Inc., Buffalo, N. Y.

CRITICS PICK EASTERN STARS

1919 Football Season One of the Weirdest in Annals of Sportdom—Ackley, Trimble, Casey, Rodgers in First Team Backfield.

By GEORGE R. HOLMES
NEW YORK, Dec. 4.—The pickin' season is up us.

The 1919 football season which the Army and Navy brought to an official close at the Polo Grounds a few days ago, will probably go down in the annals of sportdom as one of the strangest on record.

It was a season of weird upsets and reversals of form. The grand old dope was kicked hither, thither and you. Nothing ran true to form. The Little Fellers liked the Big Fellers, and they in turn soundly spanked the

the Mountaineers alone accounted for 146 points. He made nineteen touchdowns against stiff opposition and kicked thirty-two goals which followed his own and other touchdowns. He cannot be denied a place on anyone's "all" eleven.

Casey is easily one of the best backs in years. He was Harvard's team. He scored the Crimson's only touchdown against Yale and Princeton. Trimble of Princeton, is an ideal running mate for the tricky Irishman, being fast, heady and a dependable kicker. Ackley, of Syracuse, is one of the best quarters in the business, and he is a kicker of considerable ability.

The backfield of the second team scored a total of 200 points for their respective teams. Anderson, Way, Hastings and Braden are names to consider in football.

Braden, of Yale, was the one bright spot in the most disastrous season Yale has suffered in over twenty years.

ALL-EASTERN ELEVENS

Position	FIRST	SECOND	THIRD
Left End	H. Miller, Penn.	Schwarzer, Syr.	Hager, W. Va.
Left Tackle	McGraw, Princeton	Dickens, Yale	Baker, Princeton
Left Guard	Youngstrom, Dart.	Shurtliff, Brown	Acosta, Yale
Center	Callahan, Yale	Wray, Penn.	Cunningham, Dart
Right Guard	Sedgwick, Harvard	Gulick, Syracuse	Clark, Harvard
Right Tackle	West, Colgate	Keek, Princeton	Wooster, Colgate
Right End	Williams, Prince.	Higgins, Penn St.	Desmond, Harvard
Quarterback	Ackley, Syracuse	Anderson, Colgate	Strubing, Prin'tn
Right Halfback	Casey, Harvard	Way, Penn State	Erickson, W. & J.
Left Halfback	Trimble, Princeton	Hastings, Pitt.	Robertson, Dart.
Fullback	Rodgers, West Va.	Braden, Yale	Weldon, Lafayette

other Big Fellers who had not been figured so good. A team that looked like a world beater one Saturday would go out the next and be wallowed by another aggregation which hadn't been figured in the running.

There was the devil to pay generally among the followers of Form and Tradition.

Only two teams went through the season in the East without a defeat—Harvard and Stevens. Harvard was tied once by Princeton, and with the exception of the Yale game the rest of the Crimson schedule was a galaxy of "setups." So the Cambridge clan can hardly swell up on that account. Stevens was unbeaten, but Stevens met no such opponents as Syracuse, Colgate, Princeton, W. and J. and other tarts.

Three teams have been selected above as representative of the East football disclosed on Eastern gridirons.

The teams have been labelled first, second and third. But that is more for convenience sake than being indicative of their relative merit. There is hardly a difference in any of the three elevens. It is not improbable that should a series of games be played the end of it would find the percentages about even. It is quite possible that the second team would beat the first and the third both of them, or vice versa.

The backfield of the first eleven, composed of Ackley of Syracuse, Casey of Harvard, Trimble of Princeton, son. Of that total the big captain of

His toe scored the only points Yale made against Princeton and against Harvard. Suppose these points should have given the Blue victories—what a hero Jim Braden would have been! As it was he was merely fullback on a mediocre team.

Individually, Yale's eleven this season was perhaps as good as any in the East. Poor co-operation, no cohesion and a system and style that were impossible combined in Yale's downfall. Yale was beaten badly but no team ever was able to do much with the Yale line. Yale's opponents made their points around end and overhead and gave the Eli line a wide berth, so several good linemen who wore the Blue are represented on the above teams.

The backfield of the third eleven massed 146 points between them. They are a hard bunch of men in a football way.

The season is over and hopes are being pointed toward next year. Next year may be as bad, but for paradoxes and contradictions it cannot be worse. For instance—Northwestern beat Indiana, Northwestern came East and was badly beaten by Rutgers. Rutgers proceeded to lose to Syracuse and then Syracuse journeyed to Blooming and was decidedly beaten by Indiana.

As a famous line goes: "Can you beat it?"

TRIANGLES ARE OUT FOR TITLE

That the Y. M. C. A. Triangles, one of the classiest junior basketball teams in the city, will be among the leading contenders for the Ohio valley junior title is evidenced by their classy showing already this season.

The Triangles have already hung up two victories with the season barely started. At Steubenville Friday night they won from the Acme Tech Juniors 27-24. The Stubbers led the locals in the first half, but were outclassed in the concluding period, the East Liverpool lads forging ahead.

The Steubenville Acme Techs will play the Triangles here Saturday evening, Dec. 13. The next month's schedule for the Triangles has been arranged as follows:

Wellsville Shamrocks, Dec. 4 or 5 (indefinite).
Steubenville Acme Tech, Dec. 13.
Bachelor Boys' club, East Palestine, Dec. 16.

Wheeling Ledgers, Dec. 22.
Community A. C., Pittsburgh, Dec. 27.
On Dec. 31 the Triangles will play the Fallibles at the Southside Market House in Pittsburgh.

BRITTON MAY FIGHT O'DOWD

CANTON, Dec. 4.—Promoter Mike McKinney of the Canton Boxing club announced today the signing of Jack Britton of New York, welterweight champion, for a bout of 12 rounds here New Year's afternoon with Mike O'Dowd, middleweight champion, for a purse of \$15,000 to be split as the boxers see fit. McKinney is awaiting word from O'Dowd before proceeding with other arrangements.

PUBLIC TO SEE INDOOR MEET

Both Clerks and Scribes Expect Many Rooters at Big Clash at "Y" Friday Night.

"Open house" will be conducted at the Y. M. C. A. Friday night under the auspices of the newspaper men and the clerks on the occasion of their first athletic orgy. It has been decided to invite everybody. And of course there will be no admission charged to watch the fur fly when the rival teams meet.

"When an irresistible movement strikes an immovable object—what's the result?" The question has been the basis of many arguments. The clerks are certain that their representatives will present an irresistible attack to their opponents, the clerks, who are responsible for the statement that they can stop anything that is brought before them. Again—what will be the result?

Whatever it is going to be, it is very questionable at the present time for both sides are lining up teams that will go to the mat on a 50-50 basis. Both sides are about as evenly matched as could be desired to furnish some real competition and excitement. It was rumored Wednesday that the scribes had secured a "dark horse," who is going to prove a star in all departments but the rumor had hardly got a good start when the leader of the clerks, snorting up his sleeve, declared he had just finished affixing the name of one of the best "dark horses" in the city to his payroll. So honors so far are even.

Both sides are busily engaged in gathering together their rooters for the affair. It is expected that a record gathering will watch the events.

ENGLISH PUG IS FAVORITE

LONDON, Dec. 4.—Georges Carpentier, heavyweight champion of France and Joe Beckett heavyweight title holder of England, rested at their training camps today in preparation for their championship bout here tonight. Opinion among followers of the ring generally favors Beckett, although Carpentier does not lack followers. The following predictions on the outcome were made:

Daily Mail—Beckett will win.
Daily Express—If Carpentier retains his old-time punch the odds of 4 to 1 with Beckett the favorite were not warranted.

Eddie McGuorty—Carpentier ought to win in ten rounds. But if the fight goes longer Carpentier will be at a disadvantage as Beckett can stand more punishment than he can.

Jim Driscoll—There is nothing to it but Beckett.

Evening Etandard—Most of the professional followers of boxing seem to favor Carpentier.

Carpentier, from his training camp at Stanmore, in Middlesex has been writing numerous articles for the newspapers. On the other hand Beckett at his quarters at Southampton, has maintained silence.

MAY ARRANGE BOWLING MATCH

W. J. Fitzgibbons, operating the Champion Bowling alleys at Youngstown writes to Jack Williams, manager of the Grand here, concerning a home and home match between the locals and the Steel City pin artists.

The Youngstown bowlers have rolled only one match this season, according to Fitzgibbons, being beaten at Sharon, Pa. The Pennsylvania team will meet the Youngstowners at a later date on the Champion alleys. The Champions will also go to Meadville next Saturday night.

As a winter sport bowling has a large following in Youngstown and every appearance of the East Liverpool team attracts hundreds of fans. It is very likely that the proposed home and home series will be arranged.

EUROPEAN HEAVIES READY FOR BATTLE

LONDON, Dec. 4.—Georges Carpentier, European heavyweight champion, will defend his title in a 20-round bout at the Holborn Stadium tonight against Joe Beckett, the British champion.

Carpentier is thoroughly acclimated and in the best of condition. Beckett, likewise, is at the top of his form for the bout, which will make or break him as a candidate for the world's championship held by Jack Dempsey. Both men are confident. Carpentier has openly expressed the belief that he will defeat the British champion while Beckett and his trainers are equally confident of victory. The bout is the most important held here since before the war and is attracting unprecedented interest.

Discovery of aluminum soldiers has made possible substitution of aluminum for copper in manufacture of many cooking utensils.

NO EASY JOB FOR VET TEAM

Locals Must Use Their Best Football Brains Sunday if They Would Win from the Rudy Odds, of Pittsburgh.

Football fans here can look forward to one of the best football teams in the district, next season, since the days of the old Rovers of East Liverpool, and the one-time famous Junior Order gridders of Wellsville, if the Veterans of Foreign Wars can take the measure of the Rudy Odds of Pittsburgh in the battle scheduled for next Sunday afternoon at West End park.

The Vets were organized at the beginning of the season with no expectations of becoming the organization they developed into as the weeks rolled by. The material the Vets have gathered up and used in their campaign is without a doubt the best in this section of the valley. They have gone through many grueling struggles since the curtain went up on the 1919 season. But the most arduous task the will face, in comparison with the remainder of the season's schedule, will be the subjugation of the Rudy Odds of Pittsburgh. The Rudy Odds have victories over some of the best teams in western Pennsylvania. They have played the Pitsburgh Quakers, who were contenders for the national open football title this year. The Quakers were defeated at the beginning of the season by Jim Thorpe's Canton Bulldogs, and later won from the Rudy Odds, 13-0. The McKeesport Olympics and the Bellatre Athletics, two of the leading Ohio valley clubs, are victims of the Pittsburgh footballers.

Unless the weather continues good it will probably be the final engagement for the Veterans of Foreign Wars. No definite arrangements have been made concerning the game with the Wellsville Antlers, which will probably go over until next week, providing the weather man is benignant.

BRIGHT SPOT IN THE DAY'S NEWS

Twins are becoming a habit in Martins Ferry.
The first arrivals at the home of Mr. and Mrs. Fred Kohler here consisted of two boys.
The next time the stork came, he left two girls.
Just a few days ago, the bird came again this time he left a boy and girl.
Mr. Kohler is getting along nicely despite the H. C. I.
A second set of twins has just arrived at the home of Mr. and Mrs. Micheal Beck.

SEEK GAME HERE

The Haddassah basketball club of New Brighton will be represented again this year with a fast basketball team and would like to hear from all teams having floors. They are now holding practice and expect to make a good showing against all first class teams. For games write Edward C. Irt, manager, 716 Grove avenue, New Brighton, Pa.

Should Be Quarantined.
Many physicians believe that anyone who has a bad cold should be completely isolated to prevent other members of the family and associates from contracting the disease, as colds are about as catching as measles. One thing sure—the sooner one rids himself of a cold the less danger, and you will look a good while before you find a better medicine than Chamberlain's Cough Remedy to aid you in curing a cold.

SALINVILLE SOCCER TEAM HERE SUNDAY

The East Liverpool soccer team expects to make this one of their most successful seasons. They have already won their first game here and are confident that they will continue to display the class they showed at West End park last Sunday and annex the next win from the Salinville footballers. The coal town eleven will meet the locals at West End next Sunday afternoon.

Salinville has played nine games already this season, including Tiltonville, Moundsville, Wheeling, East Liverpool and Weirton. They beat Moundsville last Sunday decisively.

The Potters will be strengthened by the addition of Kiley, former player in the Philadelphia league.
Promoters of the sport here are expecting a much larger crowd than turned out last Sunday to see the contest with Tiltonville. The management of the club is making effort to bring the game up to the place it occupied in this section of the state in pre-war days and asks the co-operation of the fans.

Lalley Light and Power

Pays For Itself
by Saving Work

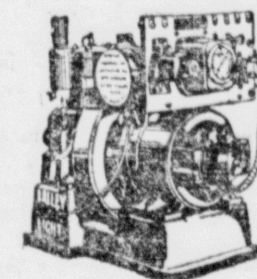

Running water in the house and barn; power to do much necessary farm work; sure, safe, convenient light every day in the year—every one a Lalley saving.

These are a few of the ways in which Lalley Light pays for itself.

It saves work. It saves time. It gives farm men and women the chance to do other things while it performs tasks now done by hand.

Running water in the barn saves time in watering the stock. Lalley Light power makes it possible.

In the house, running water saves thousands of steps, and makes life easier every day.

Henry C. Anthony, of Manning, Iowa, says: Since installing a Lalley in my home I have perfectly good light in all my farm buildings at any time, day or night, with very little care and expense. "I also run my electric supply pump, with perfect satisfaction."

Lalley Light is a complete unit—engine and generator—with 16-cell storage battery. It supplies ample electricity for lights, water pump, washing machine, sweeper, cream separator, fanning mill, iron, etc., etc.

NEW REBEKAH LODGE IS INSTITUTED HERE

The newly organized Ohio City Lodge of the Rebekahs was instituted Wednesday evening at a meeting in the Odd Fellows hall in the Hill building. State President Mrs. Russell and Secretary Mrs. Bell were present.

The officers elected at a former meeting were installed. Following the transaction of business a social hour was enjoyed and refreshments were served. Many visitors from the downtown lodge were present as guests of the evening.

Removed From Hospital

Charles Anderson of State street, who underwent an operation at the City hospital several weeks ago was removed to his home Wednesday.

Sight Not Impaired

Dr. R. J. Marshall announced Thursday that the young son of Rev. C. E. Nash, who received an injury to his eye while playing several days ago, will not lose his sight.

REVIVAL SERVICES TO OPEN IN JANUARY

Plans are being made for a series of revival meetings to be given by Pennsylvania Avenue M. E. church, to open early in January. The meetings will be in charge of Rev. M. W. Reece pastor of the church. An effort will be made to secure Rev. C. F. English, one of the conference evangelists of Talmadge, Ohio, to preach during the services.

Discharged from Hospital

Laura Ruth Chamberlain, daughter of Mr. and Mrs. W. W. Chamberlain who has been confined to the City hospital for some time for the removal of a piece of darning needle from her knee, has recovered. She was taken to her home in Dixonville, Wednesday.

Lock Infant Dead.

Paul Lock, infant son of Mr. and Mrs. O. H. Lock of First street, East End, died Wednesday morning after a short illness. Funeral services were held from the late home at 2 o'clock Thursday afternoon. Interment was made in Spring Grove cemetery.

We have money to loan on the Community Plan, Community Bank.

EAST END PERSONALS

Miss Helenetta Chamberlain, an employee at the Bell Telephone office, is confined to her home in Dixonville with an attack of grip.

Mrs. Walter Wright of Dixonville is ill.

Thomas Beaver of Dixonville has removed to his new home in Mulberry street. The Beaver property has been sold to William Boswick.

Mr. and Mrs. Frank Neely of Beaver, Pa., are the guests of Dr. and Mrs. R. J. Marshall of Mulberry street.

MIDLAND

Fred McCann and Jack Croonan have returned to their home on Midland avenue after a week's visit in Beaver Falls, Pa.

Miss Bernice Shepler has returned to her home in Midland avenue after spending Thanksgiving in Finleysville, Pa.

Miss Dorothy Lerman of Seventh street has returned to Pitt college after spending Thanksgiving here.

Miss Mary Dieter of Sixth street spent Sunday in Steubenville.

The Koppers company will give a dance Thursday evening in the municipal building.

Miss Jean Capehart of Park place has returned to Pitt college after a visit here.

Harry Grun of Midland avenue was an East Liverpool visitor Tuesday.

Mrs. Mary Christman of Akron is visiting her mother, Mrs. I. O. Dunn, of Beaver avenue.

Chamberlain's Tablets.

These tablets are intended especially for indigestion and constipation. They tone up the stomach and enable it to perform its functions naturally. They act gently on the liver and bowels, thereby restoring the stomach and bowels to a healthy condition. When you feel dull, stupid and constipated give them a trial. You are certain to be pleased with their effect.

A Regular Girl!

Is coming. She's the pal of one hundred million Americans; has a good word for everybody, full of fun and good, old American "pep," sings and dances and—chases dull care away. Watch for her.
